SINGING CONNECTIONS

Singing Connections is a friendly and social group which meets at Kessingland Sports and Social Centre, Francis Road (opposite the Co-Op) fortnightly on Thursdays from 2-3.30pm. Led by church member, Jo Knight from Swell Music CIC and funded by the Connected Communities project, this is an opportunity for anyone who enjoys singing to come along and join in some fun activities and enjoy a cuppa and social time. Sessions are free and everyone is welcome. The first session is Thursday 14th October. Please contact Jo for further information on 07881 957449.

'GREEN' THINKING

Last Sunday morning was an amazing time for observing spiders webs.

Their glistening filaments clung to the shrubs and bushes whilst silvery spider webs covered bungalow roof tiles down one side of our road (something I don't remember seeing before). A neighbour compared it to 'Halloween', where, for some, the ghoulish indoor 'cobwebs' reflect this seasonal extravaganza of spider life. Not really too scary - unless you are a fly or other insect.

Over children's half-term the 'green team' is encouraging all of us to record what wild- life and plant-life lives, or visits, the grounds around St Mark's Church. With sharp eyes and good recording skills, we could be quite surprised by just how much we see.

To join in, or learn more about what we discover, please contact Harvey (harveybradley213@gmail.com) or Helen (revhelenjary@gmail.com)

CHURCH KEY AMNESTY
